As the Seniors of 1970 look back on the last four years, we have many people to thank. Without guidance of our principal, teachers, and certainly our sponsors, men & women who set good examples, who directed, and lead us to this dream of being high school graduates.

However, it is to another group we wish to dedicate our 1970 Flambeau. It is to you who watched over us while we were ill, encouraged us when we stumbled, who denied themselves things for us without asking, who did so many things for us that we offered no expression of gratitude, that we take this opportunity to say thank you.

We the Seniors wish to dedicate this our last memories of our days at MVHS, to those we love so dearly, OUR PARENTS.

# FAREWELL

Four years is a long time  
--too long to forget.  
We look around and ask  
--where did it go?  
We worked, we played  
--but for four years?  
Then we look the other way  
--into tomorrow.  
Suddenly we're not so tall  
as we thought we were  
And not so smart.  
But we find that somehow  
We learned a decisive lesson at MVHS:  
something we wouldn't have had  
without the teachers and administration,  
without our fellow students  
--a direction into that uncertain tomorrow.  
It can never be so dark again  
Though the world may change  
and the times change  
and we change.
