

1971

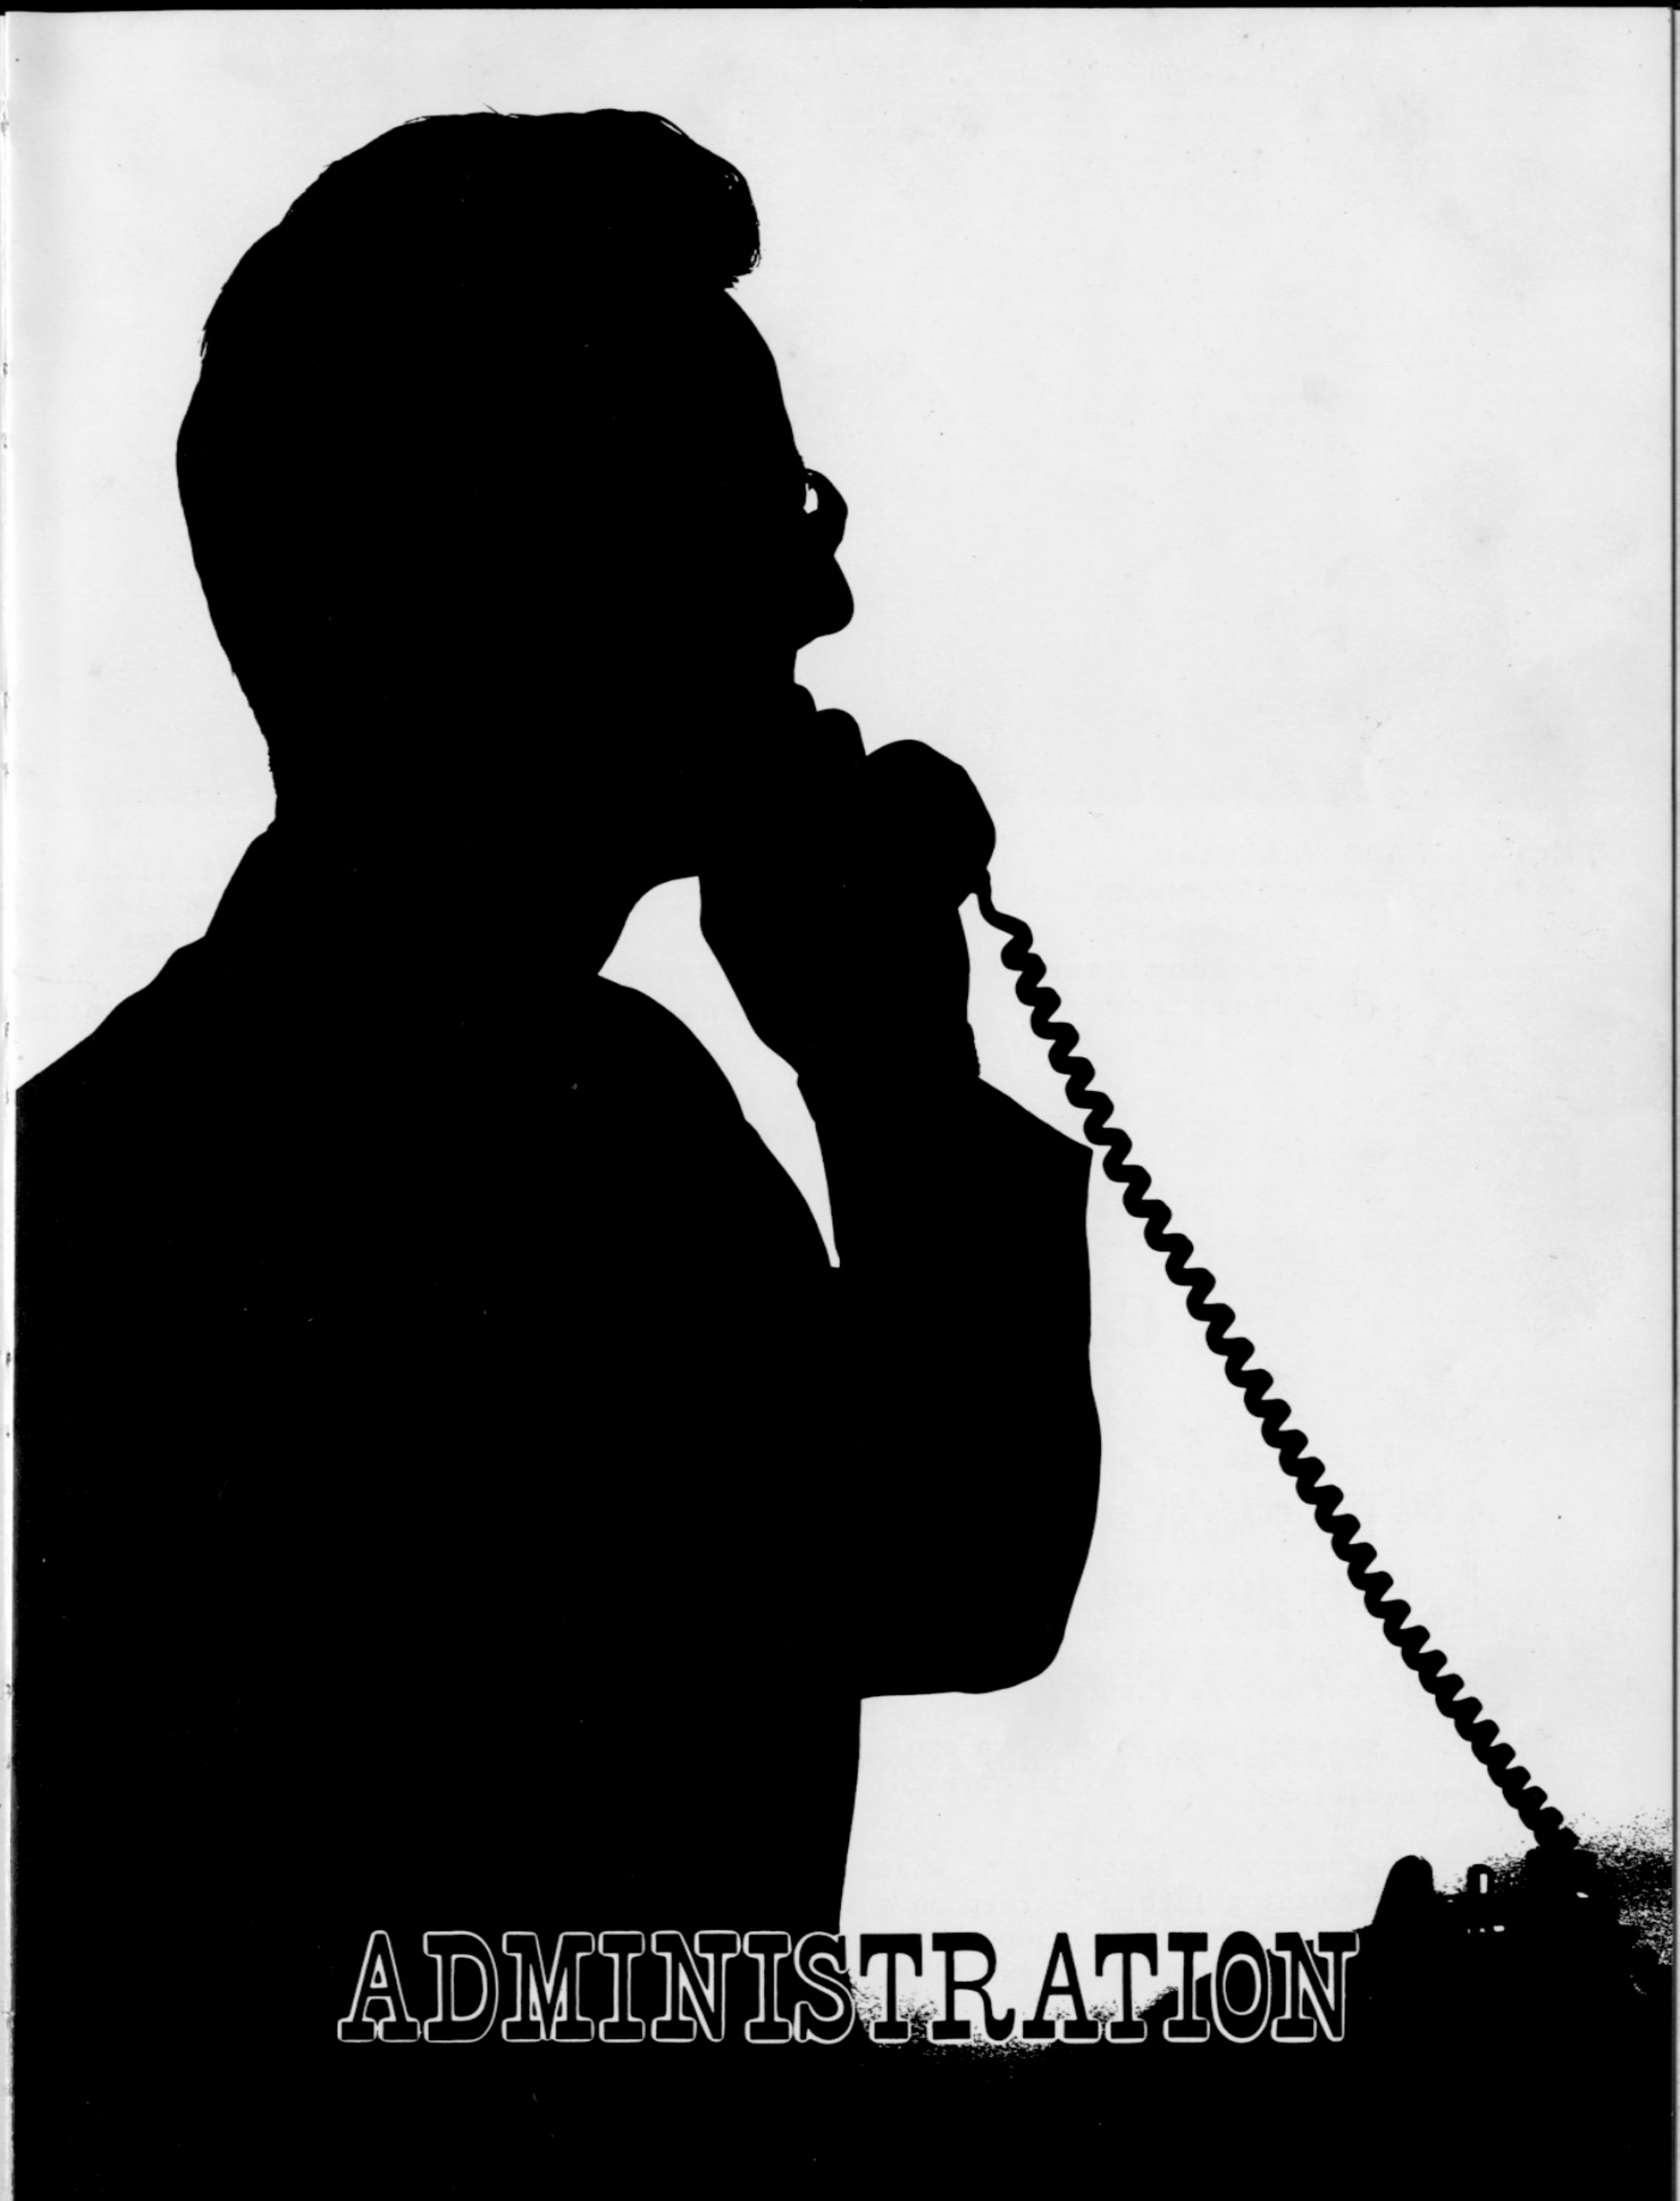

FLAMBEAU

How can we thank someone who has taken us from the freshman year of inexperience to the senior year of departure? If it were possible, an award of patience, an award for understanding, and yet another for upholding us, would be presented to you. You have led us through the difficult years of adjustment and our desires to overcome childish whims and fancies. It mattered not and was of no importance to you that we were unruly, inconsiderate, or actually only nuisances at times; you continued with us in our struggle to prove ourselves and our ideas. Perhaps the maturity you have exemplified will prove to be a key factor in our lives which are now just beginning.

Will you step forward now, Mrs. Doris Niceley, and accept your fourth trophy? The words engraved on it are, "We, the Senior Class of 1971, dedicate our yearbook to you, Mrs. Niceley." Our intangible gift is very small, but it comes from the bottom of our hearts, thank-you.

TO THE 1971 CLASS OF MT. VERNON HIGH SCHOOL

Let me extend warm congratulations to each of you. You have proven yourself to be a successful person. However, you have now reached a point in life where you must make some important decisions, decisions that will affect your entire future.

I hope that your training at MVHS has given you a basis for making wise decisions.

Whatever your destination, whatever your choice in life may be, I hope you find guiding lights to keep on a straight course. I trust that your future will be pleasant with only enough roughness to give you a challenge. May you have happy experiences and find a life of usefulness and satisfaction.

Use your talents and your education to make your community and your county a better place in which to live.

Dear Seniors of 1971:

It is reserved for you the youth of America, by choice and example, to decide the important question, shall we maintain a society that will function from choice and reflection, rather than drift along on a fruitless course propelled by accident and force.

Seniors, now that you can choose for yourself, I hope that your tenure at "Ole MVHS" will enable you to make a good choice.

Seniors, I shall miss you because many of you entered the same day as I.

Love and best wishes forever,
Cleston Saylor

Texans Urged By Agnew To Help Push Fulbright From Panel Chairmanships

LUBBOCK, Tex. (UPI)—Vice President Spiro T. Agnew, called by the Texas Democratic governor the Republicans' "No. 1 headhunter," Monday urged Texans to help remove Sen. William Fulbright, D-Ark., from the Senate Foreign Relations Committee chairmanship.

Agnew met an enthusiastic welcome at an airport rally in West Texas, although there was a smattering of booing during the almost continuous applause before Agnew arrived in Texas, Gov. Preston Smith issued a statement about the visit.

"The No. 1 Republican headhunter is here to promote his party," Smith said. The governor said Agnew "has the right to do this," and "should be given a courteous hearing wherever he chooses to go."

Agnew was on the ground for only 20 minutes, then flew on to Amarillo, about 125 miles to the north, in the Texas Panhandle, and on Tuesday was to visit Dallas.

He told some 3,500 supporters at the airport that Texans should elect Rep. George Bush their next U.S. senator because his presence in the Senate could

gressman Bush Senate is to call it could be the deciding factor in the retirement of J. William Fulbright from the chairmanship.
