"REFLECTIONS" Is Dedicated To Mr. Polly

We the graduating class of 1974 are more than proud to dedicate the second edition of the "Reflections" to Mr. Glen Polly, one of the most respected and "down to earth" teachers at R.C.H.S.

He has a way of making everyone feel happy and loved. No one can equal his unique methods of teaching as he unlocks the doors to young minds and fills them with knowledge. So, as a token of our appreciation for a job well done, we present and dedicate the "Reflections '74" to Mr. Glen Polly.

MR. POLLY IS NEW TO ROCKCASTLE COUNTY

Mr. Polly, his wife Louise, and his youngest son live in Victory, Kentucky in Laurel County. He graduated from Eastern Kentucky University in 1959 with a B.S. degree in both History and Political science and Health and P.E.

After being the director of the American Cancer Society for ten years, Mr. Polly came to R.C.H.S. and is in his second year of teaching here.

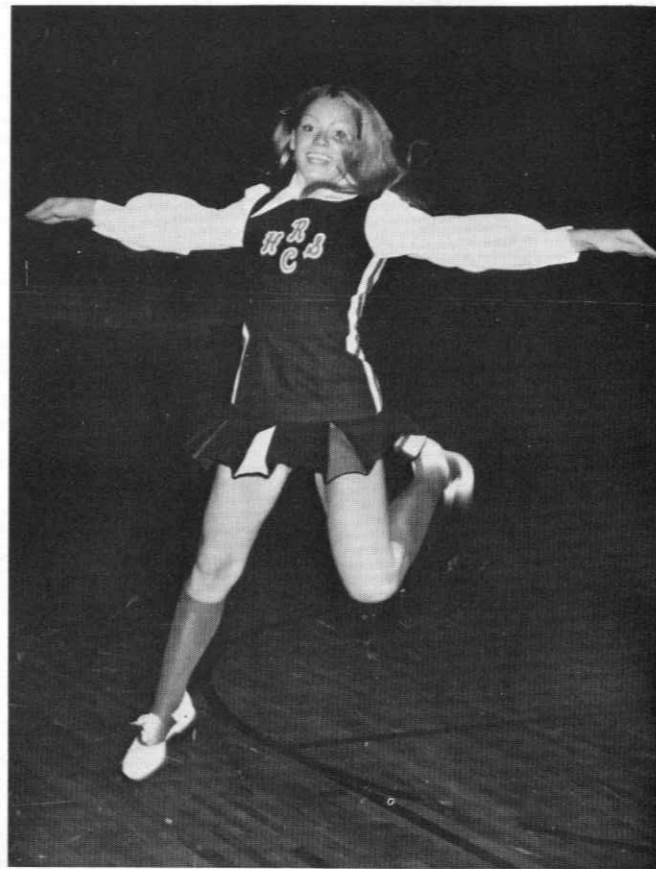

Elaine Price Voted Miss R.C.H.S. by Student Body

To receive the title of Miss R.C.H.S. a girl must be both attractive and popular. This is certainly a perfect description of Elaine.

Elaine has been active in many school activities throughout her high school years. Some of these have been pep club and F.H.A. During her senior year, she served as class secretary.

One activity that she has really devoted herself to is cheerleading and is the captain of the squad again this year.

All of these admirable characteristics made Elaine an excellent choice for the honor of Miss R.C.H.S.

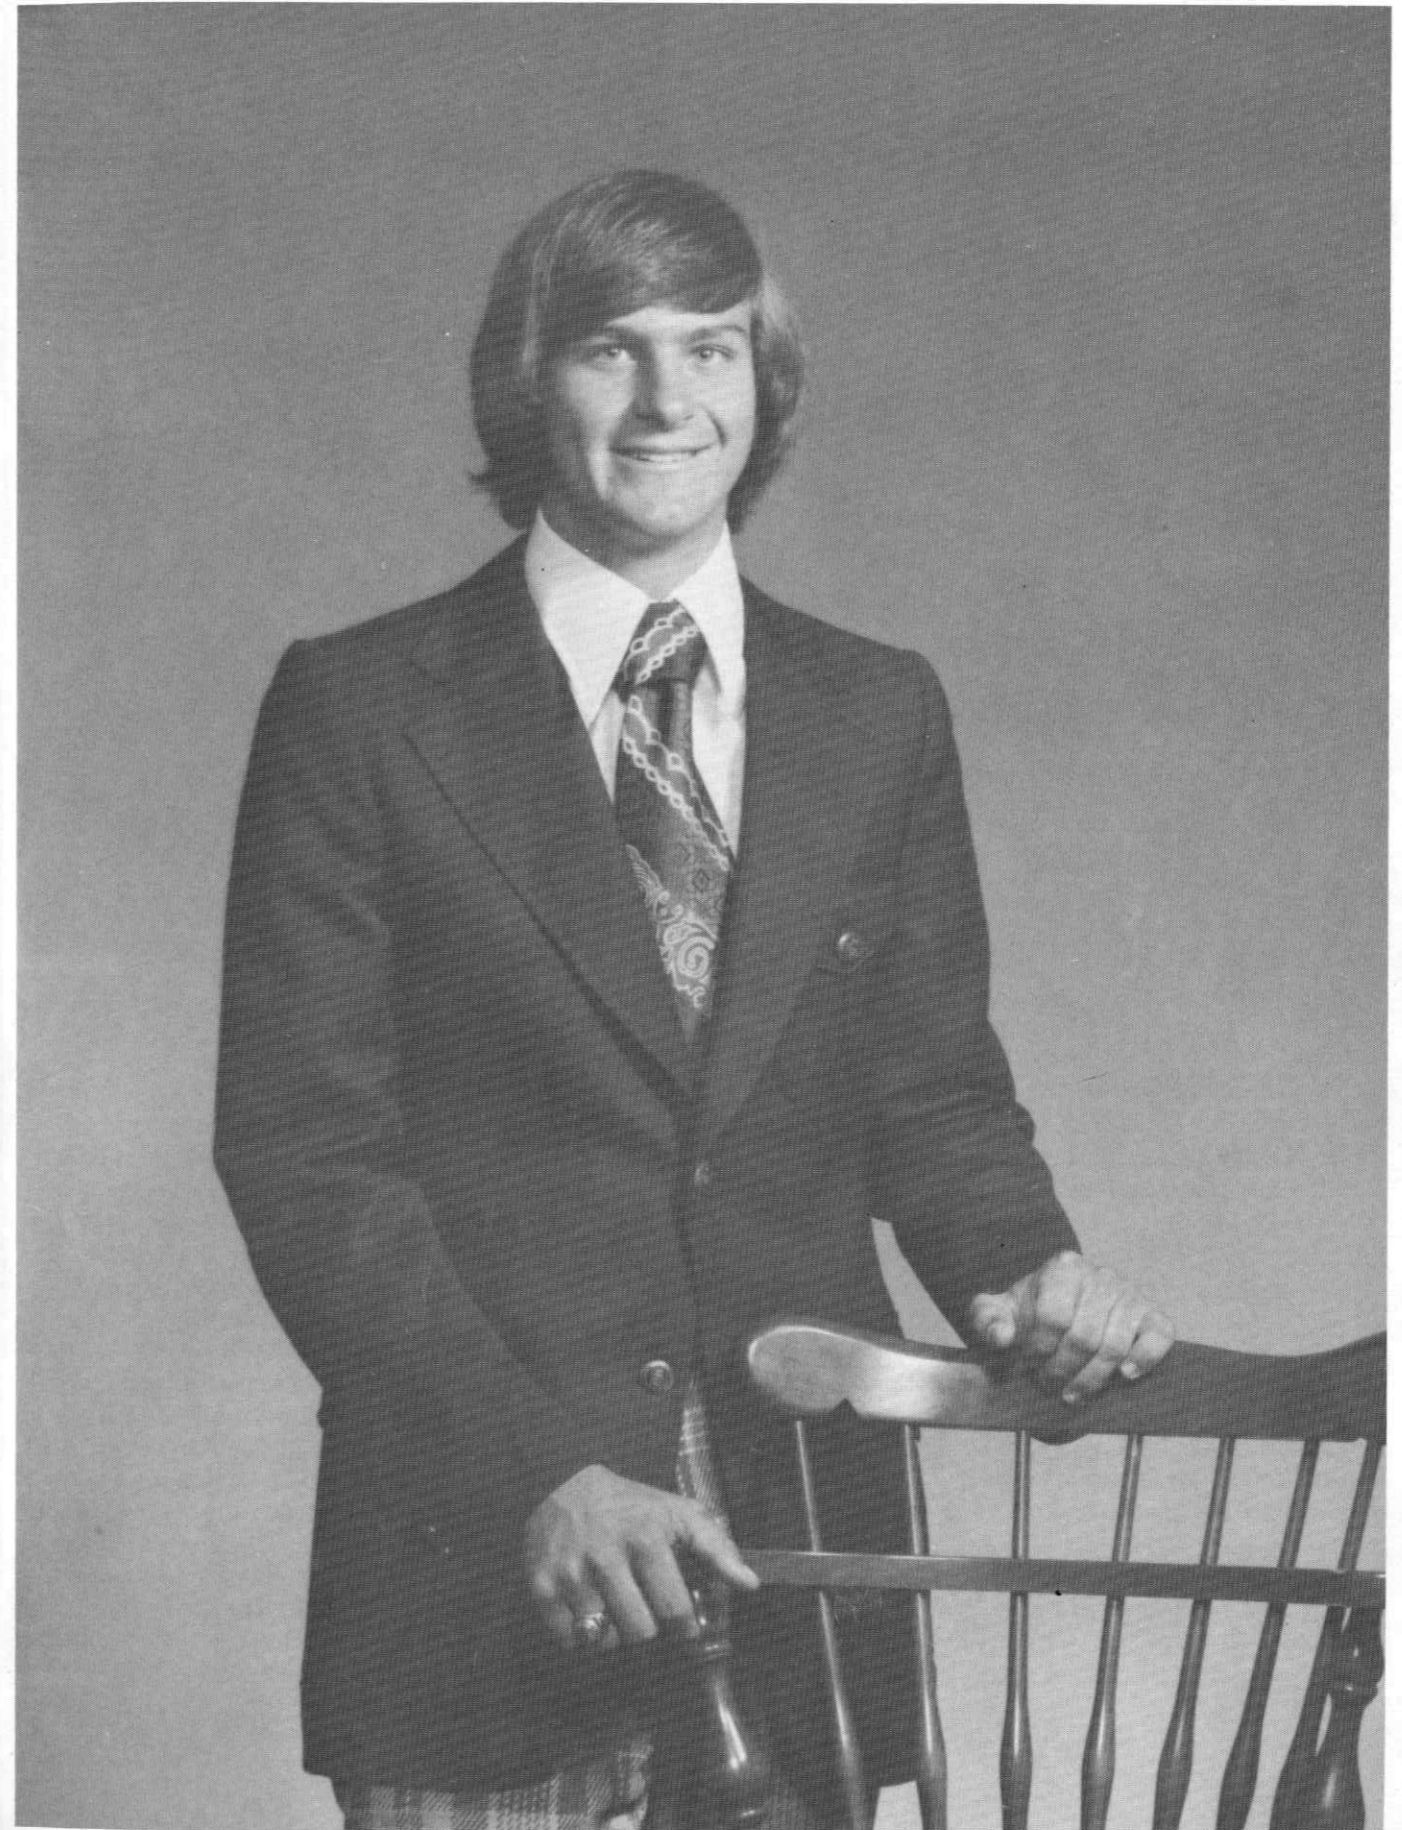

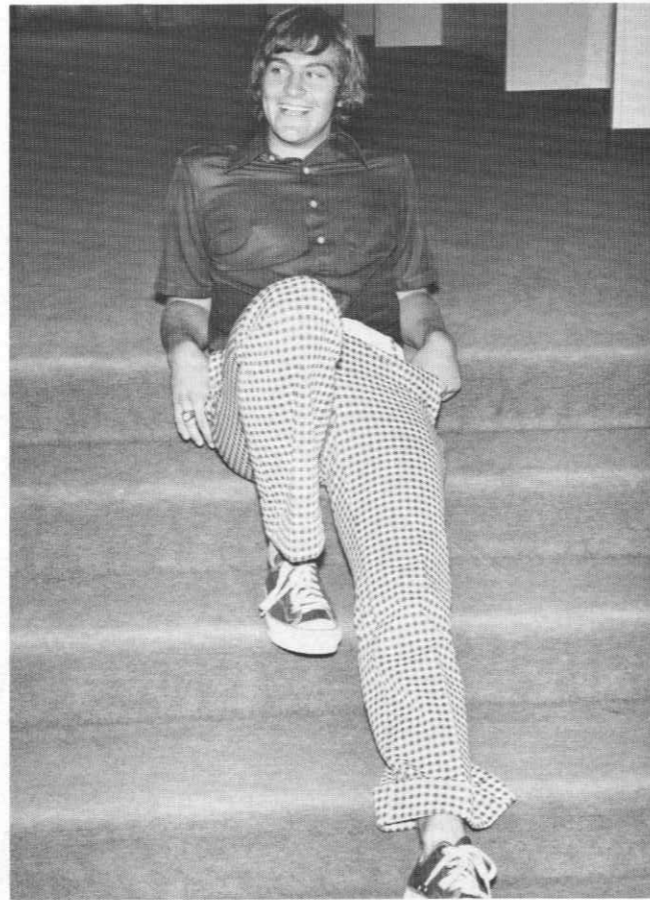

Student Body Gives Mr. R.C.H.S. Title To Paul Travis

To receive the title of Mr. R.C.H.S. is truly a great honor as it can only be achieved by the vote of classmates.

Paul participates in three of our major sports--basketball, football, and baseball, and excels in each. He helps to promote school spirit by being an active member in the pep club. He is also a member of the athletic club and the National Honor Society.

A smile and witty sense of humor make him well-liked by everyone. With this great personality he richly deserves the honor of Mr. R.C.H.S.

ADMINISTRATION

Superintendent Parsons Improves Rockcastle County Schools

During the past 29 years, Charles B. Parsons has served in the school system. He spent 22 years as a teacher and the past seven years as the superintendent.

Mr. Parsons received his B.S. and M.A. degrees from Eastern Kentucky University. He is an active member of the Lions Club and Phi Delta Kappa.

Working together with the school board and the citizens of Rockcastle County, Mr. Parsons has made the dream of a new consolidated school a reality. The second year at the new school has been even more successful than the first. We hope to continue with this success throughout the years.

Principal Saylor Begins Second Year

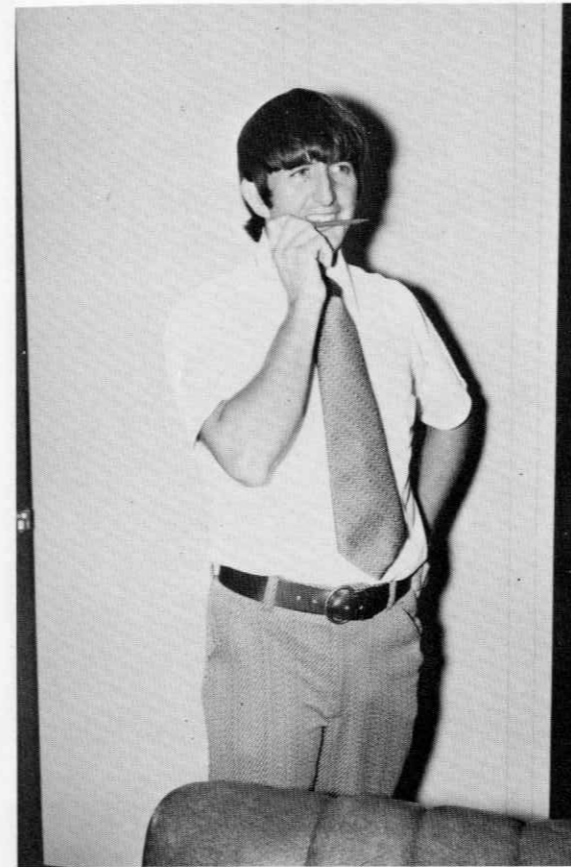

Cleston Saylor, in his second year as principal at Rockcastle County High, is working constantly improving the quality of education in our school. Fairness in dealing with all types of situations has won him the respect of both faculty and students. Mr. Saylor received his M.A. degree at Eastern Kentucky University in Richmond.

Assistant Principals Are Always Busy

Mr. Ronnie Cash and Mr. Kenneth Cornelius, assistant principals, work hard to keep school activities functioning smoothly. Students confide their trust in them and find them willing to assist.

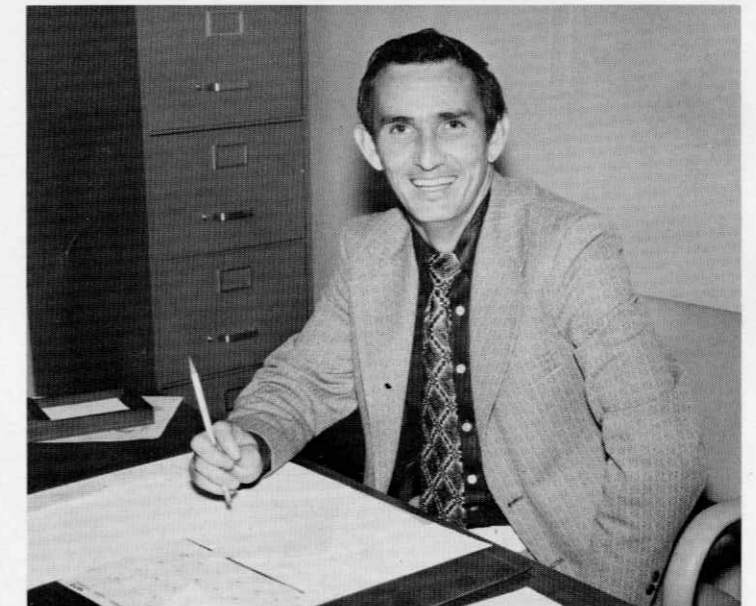

Mr. Cash and Mr. Cornelius both received their M.A. degree from Eastern Kentucky University in Richmond.

A Very Important Part of Our School

The library is one of the most important parts of our school. All other departments depend on the services it offers.

Mrs. Durham is always willing to help the faculty in any way she can. Special books, films, and other material can be ordered through the library.

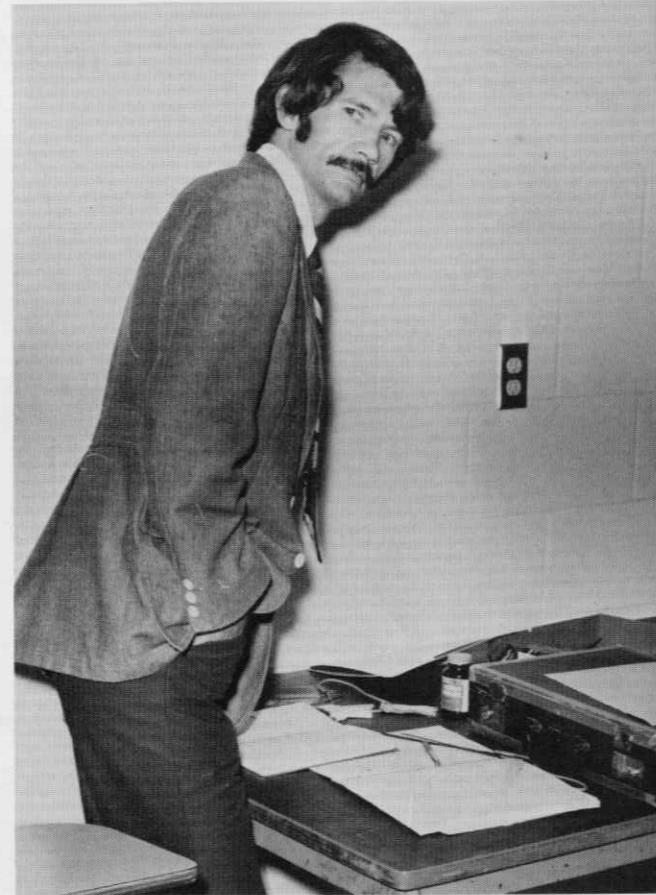

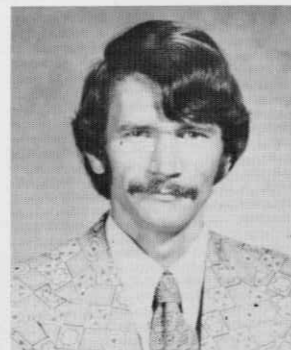

LAURA DURHAM
Junior Sponsor, B.S. & M.A. Library Science
Eastern Kentucky University

Career Is Being Taught at Rockcastle For the First Time

Career Education is in its first year at Rockcastle County. This course informs the students of the occupations that are available and helps them to decide which career they are suited for. They have speakers from different occupations, and they go on field trips to help them decide.

LAURENCE BULLOCK
Freshman Sponsor, B.A. Fine Arts Eastern Ky. University

Behind the Scene

These people work hard behind the scene to make a normal day at Rockcastle.

They are responsible for getting most of us to school and from school. They are the ones who feed us each day. They are also the ones that keep our school beautiful.

Rockets Improve With Experience

The Rockets returned this year with one letterman, Paul Travis. With a record of 9-8, the Rockets have shown greatly how they are able to play. Garlan VanHook leads all scorers with a total of 282 points. Casey Carroll leads the team in free-throws with a total of 24, missing only five. The leading rebounder, Paul Travis, has a total of 113 rebounds. Coach Bill Riddle, in his second year at Rockcastle County, has done a tremendous job with the formation of the team. We wish the Rockets lots of luck in the remaining games.

Seniors Measure For Caps and Gowns

Measuring for caps and gowns fills another day for Seniors. The students keep their tassels as a souvenir of their completion of high school.

At right: Kathy Bussell helps Gail Tolle measure for her graduation cap.

Middle: Don't Casey Carroll and Nancye Bruce act like they were selected as most courteous? Well, they were.

Far right: Greg Mullins experiments with the electro-static generator.

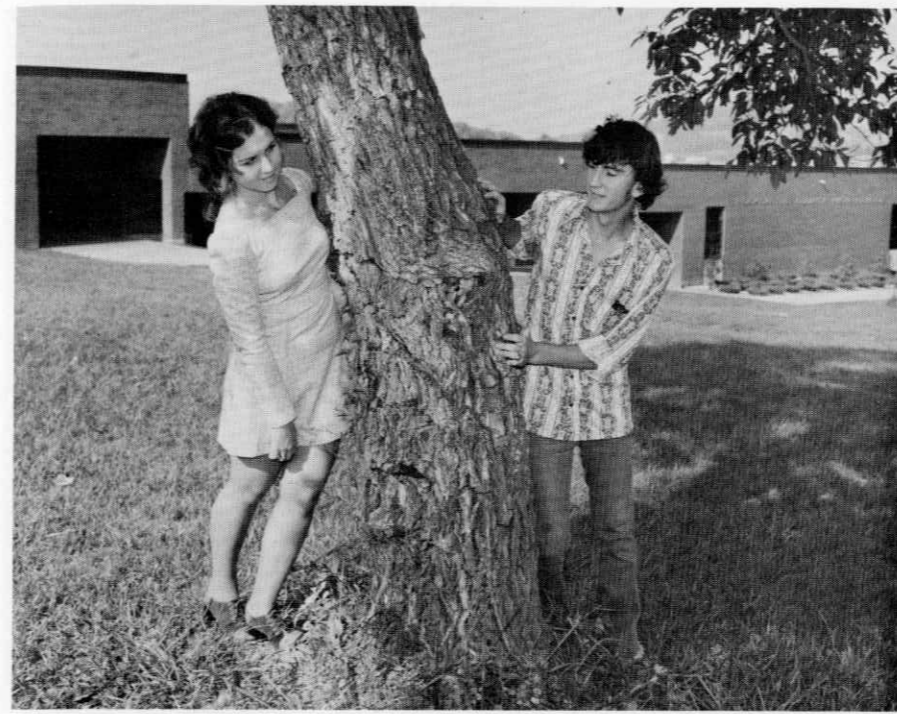

Senior Year Is Fun Year

Although the senior year is a hardworking year, there is always time for some fun and games.

At right: Pat Cheatham and Johnny Boone Saylor were elected boy and girl with best personality by the student body.

Top middle: Paula Holbrook and Stanton Hayes were chosen as the shiest boy and girl.

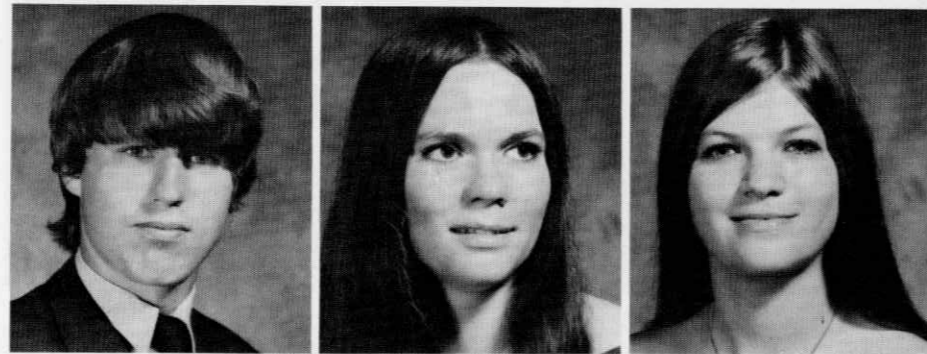

Far right: David Collins and Karen Hoskins show us what Mr. Saylor means by daylight.

In Memory

Deborah Sue Bussell met with an untimely death on December 8, 1973 in a car wreck at the age of 16.

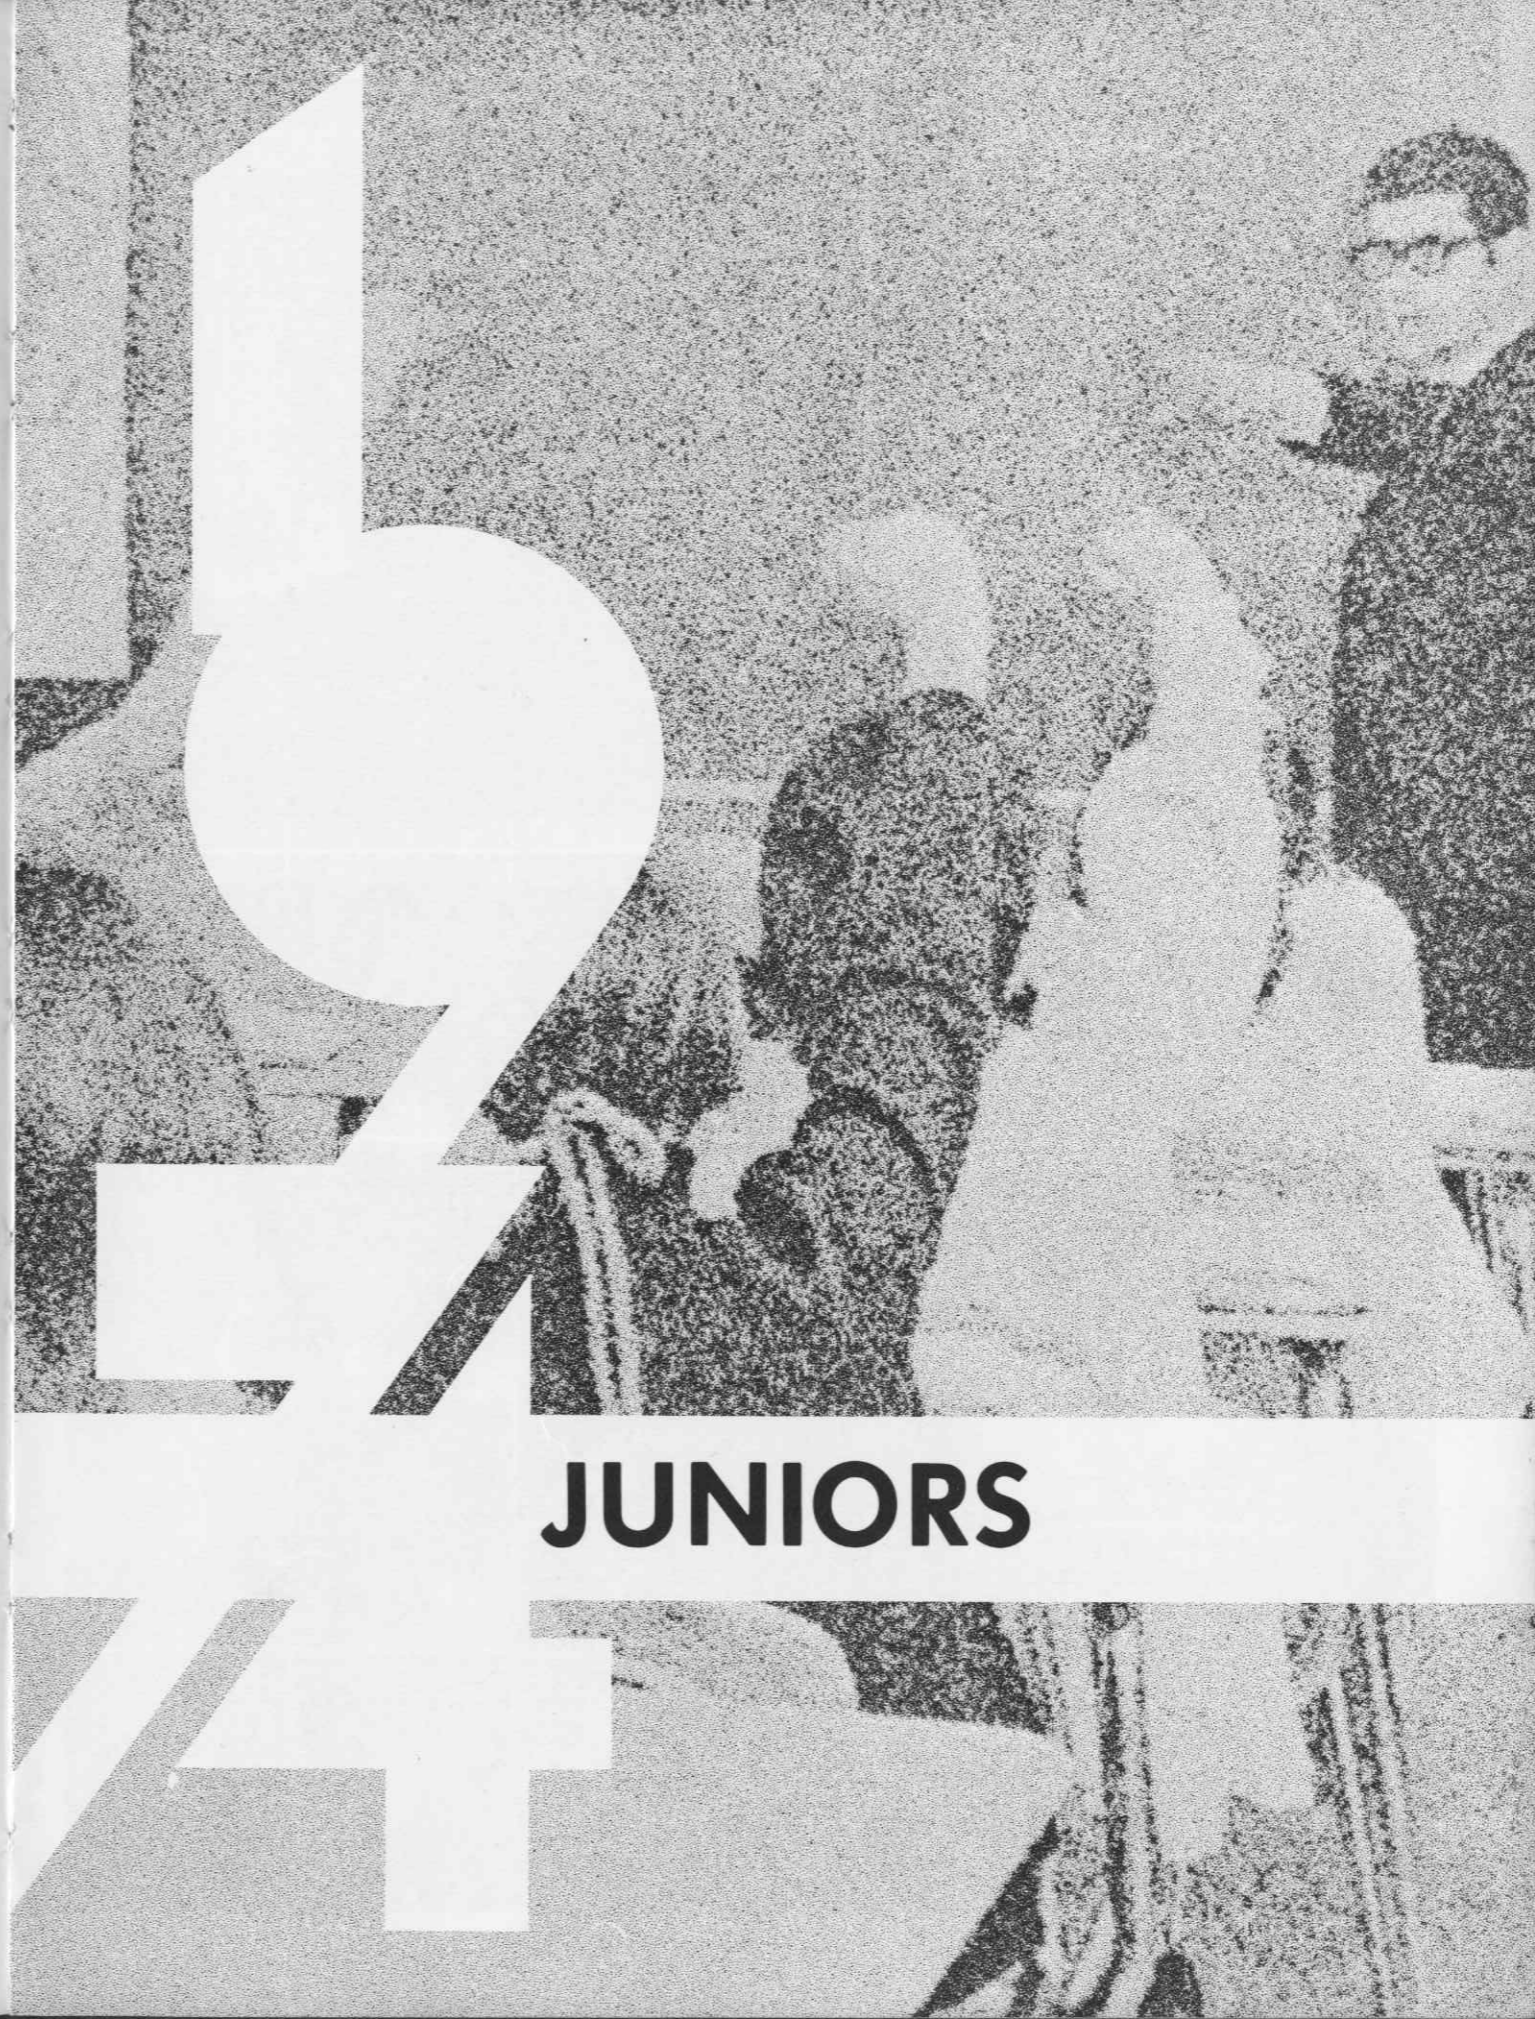

A young girl with a whole book of life's empty pages to fill with things she had planned to do, it hits hard. It's like taking that book and shutting it up to put on a shelf to be forgotten. Only we won't forget Debbie.

While Debbie was with us, she added a

special something that can't really be pinpointed, but can never be replaced. It made you feel good just to see someone so totally in love with life.

Although Debbie has gone, she will not soon be forgotten by her classmates, friends, and the faculty at R.C.H.S.

If not for the unforeseen accident, Debbie would have graduated in May along with the rest of the Class of 74.

JUNIORS

A Year to Never Forget

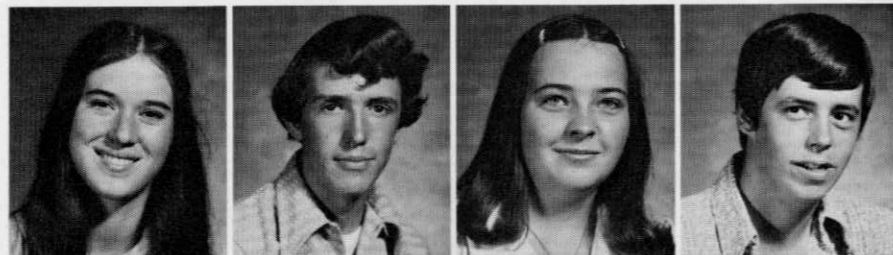

Many events filled the year, ordering class rings was perhaps the most exciting. Class officers realized the importance of leadership and responsibility by sponsoring activities such as magazine sales.

In the spring the Junior class spent hours planning and decorating for the Junior-Senior Prom.

**There's more to
electricity than
meets
the plug**

Our first responsibility is to supply the electricity you need when you need it — all that's needed, 24 hours a day. Growing needs. For home, business, and industry.

But making sure that everyone in our service area has all the electricity needed is just part of the picture.

Take the problems involving the environment, for example. Reddy's working with scientists and researchers to clean up air pollution, improve and expand sewage treatment, filter pollution out of lakes and streams, and replace old-fashioned polluting processes with clean electrical systems.

In fact, in the area of environmental control equipment on which patents have been issued, more than 90 per cent require electricity.

Reddy Kilowatt makes things happen environmentally!
